LEDEN 2003

Vážení přátelé !

Tak jako hladový volá po chlebu, tak jižan prahne po muzice. Přeji Vám v letošním roce hlavně zdraví, hodně muziky a rodinnou pohodu. A především peníze. Bez nich jsme bohužel namydlení, protože když je doma ticho ani pivo nechutná. Omlouvám se všem, kteří mě poslali SMS a odpovědi se nedočkali, ale je toho nějak moc. Někdy závidím Paličovi a Ivošovi!

Loňský rok snad ani nebyl tak špatný, ale když vidím ty spousty CD co existují, nezbyvá než věřit, že bude lépe. Co se týče akcí, tak počasí nám přálo a také nálada byla dobrá. Aspoň doufám! Kapela M.B.A. Band oslavila 10 let a pokřtila „Desítku“, ale také v Rožnově Staříček oslavil kulaté výročí kapely Stetson. V Bruntále alespoň proběhla ke konci roku fazolová schůze. Vařil Jožin a byly dobré.

Jedna zpráva však byla smutná. V prosinci minulého roku nás navždy opustil kamarád Josef „DIXIE“ Gavura, bývalý bubeník P B B. Doufám, že si na nás u nebeského baru někdy vzpomene.

V pátek 7.2. 2003 proběhne v Grandu lehce slavnostní schůze. Tímto ji svolávám a oznamuji, že fazole budu vařit já. Bude také nachystán lehčí obložený stůl. U krnovských členů účast předpokládám a ostatní přespólní budou jen vítáni.

Den poté 8.2. 2003 chystá Staříček 1. jižanský bál při spoluúčasti M.B.A. Bandu.

Obálku informátoru jsem pojal trochu netradičně, ale aspoň vidíte tu malou část z těch 360 000 odkazů na internetu. Ostatně, zvykejte si! Příloha je ve znamení písmene B! Doufám, že jsem na nějakou důležitou kapelu nezapomněl. Pokud by si někdo chtěl zahrát na sponzora a poslal mě papír do kopírky, bude na VK veřejně pochválen. Krnovský atašé Olin už to má jisté!

Dále se vyskytující kapely na všech možných stránkách :

Bobby Boyd - The Honky Tonk Tree (Midwest)

It doesn't get much better than this, **Bobby Boyd** and Warren Haynes, co-writers of one of the the G-man's biggest hits ("*Two Of A Kind Workin' On A Full House*") recording and branding it as their own on *The Honky Tonk Tree*... it's been said that "Bobby Boyd's voice is one of the best kept secrets in country music", no arguments here... Warren Haynes (former lead guitar with the Allman Bros. and out front guitar for Government Mule) powers through sl-sl-slide work that breathes new life into this song... that's only the first track... Bobby Boyd new release is a work reflecting the genres he's grown up with, Country, Rock, R&B...added to the mix a few guests of note, three of Texas finest Pat Green, Cory Morrow and Willie Nelson... **Bobby Boyd**, *The Honky Tonk Tree* is available October 2, '01.
